Increasing the Fruit of the Earth!

Our Father sowed the seed of humanity in the Earth in the Garden of Eden. His goal in doing so was (is) to reap sons and daughters for His Kingdom. Through the life, death, and resurrection of our Lord and Savior Jesus Christ, all was made possible. He died and rose again that we may live!

To accomplish this goal He established the Body of Christ and gave the Great Commission to go and make disciples. Our work is to make disciples and

train ministers to go and reach others. In April, we held another graduation with a number of our brothers and sisters from our 1st, 2nd, and 3rd year Bible Training Center programs. There were four from 1st, nine from 2nd, and nine from 3rd year. This was in addition to our regular year-end graduation.

Baptizing the Believers

Jesus said in the Great Commission to make disciples of all nations, baptizing them in the name of the Father, the Son, and the Holy Spirit. So in April, eight new disciples of Jesus were baptized here at LWT-Honduras. What a joy to witness the public testimony of those who trust the Lord for His grace of salvation in their lives and eternity! Following in Jesus footsteps are Byron, Suyapa, Yameli, Luz, Tania, Luis, Estefani and Lizzi.

Children Dedicated to the Lord

In Mark 10:13-16, some parents brought their children to the Lord for Him to touch them and bless them. Although the disciples rebuked them, the Lord said, "Let the children come to Me for of such is the kingdom of God," and He laid hands on them

and blessed them. In March, five families presented their precious children to Him for His blessing and their parents dedicated themselves also to raising them in the discipline and instruction of the Lord.

Teaching in La Union

Brother Gary receives invitations to minister in churches from time to time, so in February of this year we all traveled to La Union, Santa Barbara in the west part of Honduras. Bro. Gary taught on Church Government in the daytime and on the Holy Spirit at night. It was a wonderful time of sowing the Word and also presenting the Bible Training Center for the opening of a future Center there. Please pray for this to come to pass.

LWA Participates in CASC

Living Water Academy students from High School participated in the Central American Student Convention in March. They competed in art, platform, music, and athletics in addition to receiving the Word of God during the nightly rallies. Many of the students took home medals and ribbons for winning or placing highly in their categories. The team efforts also produced trophies for LWA in various categories, including sports, art, and music.

Junior Convention at LWA

The elementary children also participated in Jr. Convention which is an internal event we do each year for the primary grades in the LWA Christian Bilingual School. They compete in a number of events for a week. This includes art, music, platform, academics, and athletics. This early training helps develop the children's talents for the future. Our youngest son, J.B., was one of the participants.
