Expanding Influence!

The vision of the Father is disciples, sons and daughters of all nations. LWT-Honduras' graduates are carrying the Living Water of God's Word to all parts of Honduras and into other countries. This includes Pastors Jose & Rosa Rodriguez, whom Jesus sent to the USA. Brother Gary visited Living Love Church in Greenville, SC in September during their 2nd anniversary. The church continues to grow and the BTC also is continuing to function with the vision of making it available to all churches. Brother Gary taught the married couples on Friday, the youth on Saturday, and preached in the church service on Sunday. He was also able to spend time with Jose and Rosa, encouraging them and their family. May the gospel reach every heart and every nation!

Construction Season at LWT

Once LWA school is out for the summer, it's time to begin major construction and repairs on the campus. This summer and fall have been an exceptional year as we have completed a number of long-awaited projects. We were able to finish the

three classrooms that we constructed last year, by putting in ceilings and doors.

In addition, the front façade of the north wing of the Christian Education Building was also completed.

Also, exterior brick walls of another section of the north wing were added for two more rooms.

Additionally, the walkway entering the LWT campus needed to be reconstructed, so the existing boardwalk was replaced by 160 feet of new concrete sidewalk.

We were also able to finish a concrete retaining wall which borders the creek that runs through the campus, thus restoring part of the usable property near the entrance.

Last of all, we built a 10 x 60 ft open-air shed for the cafeteria and outdoor events.

Visitors from a Foreign Land

Living Water Teaching Honduras received two visitors from the north during the summer months. In July, we were visited by Kathryn Smith from Houston, TX. She and her husband, Kevin, are long time friends and supporters of the ministry here. Kathryn came for a week and taught the “Authority of the Believer” class in the Bible Training Center. She also came bearing gifts that made life easier.

Then in August, we received Amber Wright. This was Amber’s umpteenth trip to Honduras in the past ten or more years. Every year, she makes the trek (sometimes 2 treks) to Tegucigalpa to help train and prepare teacher-supervisors and monitors for the ACE Christian school, Living Water Academy. Such a blessing to many here, soon we will have to take away her passport so she will have to stay 😊.
