

LWA Christmas Program

LWT's bilingual christian school, Living Water Academy, has grown in attendance this year to 144 students. They not only receive academic classes but are also taught Christian principles and living through Bible classes, devotionals, and chapel services.

The whole school was involved in the annual Christmas program to glorify Jesus Christ. Time and effort were invested by all the students to bring the joy of the coming of Christ in song and acting. What a blessing to see young people using their talents, abilities, and gifts to glorify God. It was a joyful experience and a great success.

A Church Building Dedication

Brother Gary had the privilege of dedicating a new church for the Kingdom of God. Our sister church in Copan Ruins through its outreach, established a new church body in Santa Rita, Copan. The new church then constructed its own building in Copan, to which Gary traveled on December 12, and thus held the dedication service.

Merry Christmas

We pray that all of you have a wonderful and blessed Christmas and a very happy and productive New Year, 2011. A HUGE thank you goes to you, our family, friends, and ministry partners for helping us have another prosperous year of ministry here in Honduras. Glory to God in the Highest, Peace on Earth, and Good Will towards men!
