Joy to the World!

Rejoice! Celebrate the joyous occasion of the anniversary of the birth of our Lord and Savior Jesus Christ, the first coming of Emmanuel, God with us, and the beginning of the Good News for the whole world!

Rejoicing in Our Graduates

We also rejoice in reporting to you the graduation of the Bible Training Center on November 20, 2010. There were a total of 66 graduates, 57 from the 1st year and 9 from 2nd year.

Directors Gary & Katrina and Missionaries Daniel & Lorena Dyer with 2010 LWT BTC Graduates

Another 50+ students are scheduled to graduate in February 2011. Each year is composed of 4 quarters with a total of 144 hours/year. The 1st year is systematic weaving all the major themes into an integrated whole counsel of God providing a firm foundation for daily life and Kingdom service. The 2nd year furthers that foundation but concentrates on ministry-related subjects to orient the students in preaching, teaching, and the ministry of helps.

Pastor Gary delivered the message, “Press on to Complete Your Mission,” exhorting the graduates to endure hardness as good soldiers of Jesus Christ in order to carry the Gospel to the world even in the midst of resistance. They were commanded, according to the Word of God, to continue to study to show themselves workmen approved unto God, and were also charged to

preach the Word not tradition, not human works, rules or thinking, nor any message other than the Gospel of Jesus Christ.

Pastor Gary delivers the Commencement Address

Many of these graduates were serving in churches or the ministry with little or no training when they started coming to the LWT BTC. They came to be better equipped in the Word of God to be able to better serve the Lord and His churches. They are now working with a better understanding of God’s Word and therefore His will. They are leading people to Christ, preaching the Gospel and teaching the Word of God to their own people. Due to God’s faithfulness to empower us and your faithful partnership with us, the vision God gave continues to come to pass.
