Please pray for the success of these centers as more laborers are desperately needed for the harvest. At the moment there are 205 disciples studying in the 3 years of BTC training which we offer. They come from all kinds of backgrounds because they feel called of God to minister the Word of God to others, and sense that He has sent them to LWT to be trained.

I have been in contact with a number of our graduates lately that are making a difference saving the lost, healing the sick, setting the captives free, teaching and administrating in local churches, and influencing the public and private sector with the wisdom and power of God.

Graduate – Pastor Guillermo Flores is making disciples

Thank you for your financial

support, which helps us preach the Gospel and make disciples. The time is short and we must redeem the time to reach all of Honduras and the world with the Gospel of Jesus Christ! There is salvation in no other name under heaven, there is no other salvation of any kind, Jesus is the Way, the Truth and the Life. If you can do more financially--**please do so now!** If you can pray more--**please do it now!** If you can come and help on the field short or long term--**please do so now!** We live in the time prophesied of in the Bible--the last days--we have been called to such a time as this to finish the work Jesus gave us to do as the church. All must hear, laborers must be prepared and sent.

Will you be a part of completing the Great Commission in our time?
