Working Together to Further the Kingdom!

It takes all of us working together in obedience to the Lord to bring the vision of God to pass! Some of us go to another country to live and minister, others of us partner with our prayers and finances and minister at home, and some have the opportunity to visit the field and help with hands-on to further the work of the Gospel on the field.

Indiana Visitors

In August we were visited and encouraged by Pastor Mark and Phyllis Purl with Tege Lewis from Oasis Church in Evansville, IN on a one week whirlwind trip. Pastor Mark ministered the Word at LWT church in Tegucigalpa, the Central Penitentiary, Santa Barbara, and Copan Ruins. Many were encouraged and built up in their faith. The group also assisted us in the BTC office.

Nevada Visitors

In October we had the joy of receiving Pastor John Prewitt and two other members (Derril and Linda) of Great Adventure Harvest Church (one of our supporting churches) from Spring Creek, Nevada. They came to see the work and put their hand to the plow in anything that would help the mission. And what a blessing they were in the Word, their presence, spirit, and work!

Teaching the Word

The trip lasted ten days and were full of ministry. Arriving on a Wednesday, Pastor John taught in the discipleship meeting that night; Friday he shared in Chapel service at Living Water Academy; Saturday he taught in the 3rd year BTC class; Sunday he preached at LWT church; Tuesday he taught the 1st year BTC group at Lighthouse Church; Wednesday he taught the discipleship again, and Thursday taught in the national prison. Wow! Thank you Pastor John for your endurance, and dedication to the Word of God, as it's the most important thing on the face of the earth for mankind.

Building and Working

The team also helped greatly in various areas from splitting rock, building a wooden guard rail, working with children in the school, carrying out repairs in the buildings, and reorganizing much of our storage area.
