Reaching the World!

Lift up your eyes, His coming approaches! Strengthen yourself in the Lord for we must preach the Gospel to every creature and make disciples of all nations before the end comes! It is not time to back off in reaching the world with the Good News of God’s love in Jesus; it is time to act in faith and increase our efforts to get the job done.

More Disciples Graduate

The BTC’s operate continually during the year to teach and train more disciples for the work of preaching the Gospel and teaching the Word of God. We will not cease until all nations have been reached with the message of God’s love in Christ. We are glad to report the graduation of 11 - 1st year and 4 - 2nd year disciples from the Copan BTC extension on February 5, 2011.

On February 26th we also graduated 29 - 1st year disciples from the BTC extensions in Tegucigalpa.

Bible Training Center - Opening Day 2011

When the Lord called us, He said to train faithful men. This will be our **20th year** of making disciples in Honduras, as we and our partners continue to pursue the vision He set before us. At the end of January we kicked off the new year with 50 disciples in the three years of our training program. What a joy to see hungry disciples of Jesus in each class wanting to know and understand the will of God for mankind and to be trained to preach and teach the Word of God.

First 3rd -Year Graduation

We also graduated our first group of 3rd -year disciples. After receiving another 144 hours of teaching, 18 men and women received their diplomas. The third year is to deepen the disciples’ knowledge of God’s Word and Will, and therefore increase their effectiveness in service to the Lord. **Pray for all of our graduates to be effective in reaching the lost and making disciples.**

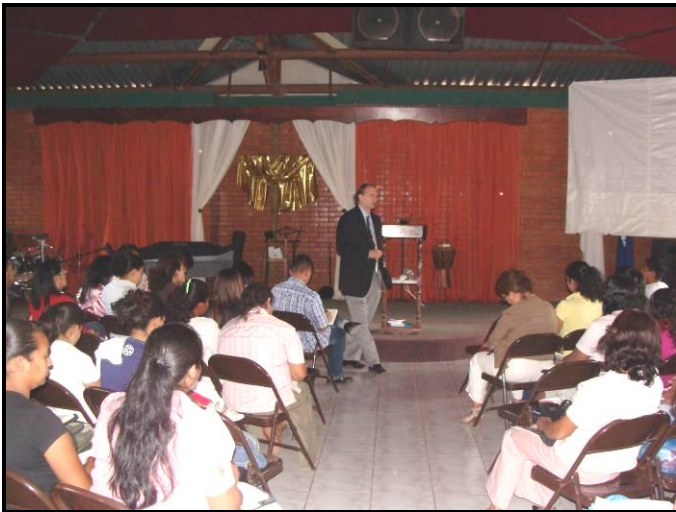

New students arrive at LWT Campus for 2011 BTC

Exciting First Day of Classes and Orientation

Each group will receive 144 hours of **practical, Biblical, Christ-centered training** in the next 9 months.

Brother Gary Exhorts the New Students

Pray for our teaching team that the anointing and wisdom of God flows to these disciples in their preparation for service in the Lord.

Living Water BTC Teachers

In addition to the main BTC campus, our team started the new year in Talanga to the north of the

capital on Feb. 5th with 30 disciples for the two years of studies: 16 continue in 2nd year and another 14 in 1st year.

The Kingdom Expands

Toward the end of February we sent off Brother Dan and Lorena Dyer, as Jesus called them to start a church and continue to expand the prison ministry. Being led of the Holy Spirit, they parted from LWT Honduras at the end of February. We had a special time of prayer for them and sent them off with our blessing. Although they are no longer missionaries with LWT, we continue to work together in the ministry for the glory of God and the fulfillment of the Great Commission.
