Remember the ComMission!

The Lord commissioned His church to preach the Gospel and to make disciples of all nations. He said this would happen before the end came. Let us remember the reason for our existence on this planet! That reason is to be a testimony for Jesus of Nazareth the Christ -- to fulfill the mission of preaching to all for salvation, and for the building up of His body, the Church. Onward Christian soldiers to shine in the darkness!

Increasing the Kingdom

Beginning in April, LWT-Honduras started a new evangelism outreach to neighborhoods in Tegucigalpa. The evangelism team went from door to door every Monday for two months and now goes every Monday and Friday. The plan is to work the neighborhood to share God's message of love in Christ by visiting and building repaire through consistent contact with those who open their heart to the message. After they receive Christ, our team does follow-up by laying a foundation of the ways of Christ. We are seeing very good results from this outreach as 16 people have been born again in the last 2½ months. Please pray for these diligent laborers as they share the love of God and preach the Gospel to the lost.

Reaching Youth

The Lord opened up a great opportunity to share the love of Christ with 250 young people at a retreat about one hour toward the north of where we live in Tegucigalpa. Brother Gary was invited to speak the first week of June by the Christian organization Nuevo Amanecer (New Beginning) to minister to the youth that attend their school. Most of them come from broken homes and/or have been abandoned. The darkness of skepticism, bitterness, and unforgiveness has invaded their lives. After the message of the love of God the Father and His salvation in Jesus Christ was shared with them, 30 of them accepted Christ as their Savior. Hallelujah! Brother Gary was also able to share God's desire to restore them and to show them how to form healthy marriages and families. Many raised their hands to pray and forgive their parents for the hurts that they had experienced.

Ministering to Pastors

Another wonderful door of opportunity opened up in February (not reported in the last newsletter for lack of space) when Brother Gary also ministered to pastors in Santa Barbara in western Honduras. As the Word of God went forth the Holy

Spirit spoke of ministerial principals, responsibility, submission, authority, and serving the Body of Christ. The Lord also ministered to the hearts of the pastors, His servants, as many had been wounded and discouraged, and were in need of prayer and refreshing. They left blessed and encouraged by the presence and love of God ministered to them during the meeting.

LWA 2011 Graduation

Living Water Academy graduated its 2011 class on June 14th. There were nine graduates from High School, nine from grade school, and eight from ABC's (kindergarten). LWA is LWT-Honduras' bilingual Christian school that is currently in its 12th year. In addition to academics, the Academy teaches Biblical principles, discipline, and moral character. Congratulations to all of them!

Kirsten Graduates

One of those High School graduates was our daughter Kirsten. She is the first student to graduate from LWA that began with LWA in kindergarten and attended all the way through to 12th grade. She graduated as valedictorian of her class and received other honors. We are so proud of her for her diligence and her faith in the Lord.

Congratulations Kirsten!
