Building Leadership!

In addition to the Bible Training Centers in different places, LWT Honduras is making disciples and training leaders through the LWT local church. Every Tuesday is leadership meeting when Pastor Walters shares the vision and prepares church leaders in the Word. Some of these leaders are in charge of the 5 discipleship groups in homes around Tegucigalpa. These leaders have led many souls to the Lord this year and are teaching them the basic foundations of the faith. Others are in charge of intercessory prayer, children's ministry, evangelism, hospitality and serving.

Part of the LWT Church Leadership Team

Over the last 10 years, a number of our former leaders have been called into full time pastoral ministry. There are four local churches (in diverse areas of this city of one million people), which have been started by these former church leaders. The vision has always been **to train faithful men who shall be able to teach others also.**

Back to Nuevo Amanecer!

If you remember last year, Brother Gary had the opportunity to minister at a youth retreat for about 250 young people from the Nuevo Amanecer School near Talanga, Honduras. In June this year, he was invited back to minister again for their 9th annual retreat. There were over 200 in attendance and between 30-40 youth made decisions to accept Christ as Lord and Savior. What a privilege to share the love of God through the Gospel of Jesus Christ!

ACE Youth Service Adventure

In July, we had the privilege of hosting at our campus, the ACE Service Adventure Team from the USA, Mexico, Guatemala, and Honduras. Total

Learning to Build

were seventy-two sponsors and youth who spent a week with us. They then served and ministered to other schools in Honduras.

Our younger daughter Kirsten was a member of this team. They built student class offices, did evangelistic dramas, and ministered the love of Jesus in churches. They ended their journey by returning to our campus the last day before returning to their home countries.

Building Student Offices

We are SO grateful for their visit. They all were such a great blessing to us and to many more around the nation of Honduras.

Living Water Academy Graduation

Another successful year of school finished in June; eight students graduated from Living Water Academy High School. The Gospel has touched each one and the truth has been implanted in each heart. Praise the Lord for this avenue of ministry to teach and to train the next generation in the ways of the Lord! To those of you who have had a part in sponsoring students in the Academy, thank you.

Three of the High School graduates recite their Oath.

Tying Knots

Brother Gary performed a June wedding for two of our church members. Mauricio Giron and Marlene Moncada were joined together as a testimony of their love for each other and for the glory of the Lord. Marriage is a figure of our relationship with Christ and that is why it is so special.
