## **He Gave Gifts unto Men!**

The end of 2012 brought rich blessings in many ways as the Lord prepares for His return. Part of that plan is the building up of His Church, and to do that He gave gifts unto men (Eph. 4:11) for the preparing of the saints for the work of the ministry.

*1<sup>st</sup> Year Graduates December 2012*

The LWT-BTC graduated a total of 84 students in December making a year total of 101. These disciples have been called and trained to go forth and take the message of Christ to all of Honduras and beyond. The time is short, thank you for helping us to train more disciples to send to all parts of Honduras, Central America, and the World!

*2nd Year Graduates December 2012*

For our graduation ceremony, we were honored to have guest speaker, Pastor Saul Medina, a former graduate and presently the pastor of Centro Cristiano Internacional Monte Hermon (Mount Hermon International Christian Center) in Santa Barbara, Honduras. He exhorted the graduates to maintain their personal testimony of character in Christ as the

major witness to the world of who Christ is and His love for all.

## **LWT-Honduras BTC's 2013 Big Start**

The Lord spoke to us on January 2<sup>nd</sup> about the year 2013, how that He would be opening new doors to us, and that we were not to hold back from taking advantage of these opportunities. If obedient, much fruit for the Kingdom of God would be produced. And we are quickly seeing the fulfillment of that word as we have begun the BTC for 2013!

*Pastor Gary Orientes the New Disciples*

Our campus center now has 60 students, the Nueva España (New Spain) extension has 53, and a new additional group from the Colonia San Francisco area has 109 new disciples studying the eternal Word of God. When we add all of these disciples to the other groups already in progress in Colonia Reniel Funez (38), and in the town of Santa Ana (53), a total of 313 ministers-disciples are presently studying in the BTC. Glory be to God! May He give us triple that number (or more) to reach the nations with the gospel! Remember, every disciple of Jesus that is trained in His ways is a more effective messenger to the lost of the world, and a more effective minister to make disciples of all nations. And this is the goal of all we do here at LWT-Honduras.

### *Ministering to Ministers*

Brother Gary received an invitation by one of our graduates, Pastor Bolivar Sanchez, to minister at a pastor's retreat. On December 15<sup>th</sup> just outside Tegucigalpa, he shared with a group of 35-40 pastors encouraging them concerning the truths of the grace and favor of God. Many of these later enrolled in the new BTC in the Colonia San Francisco.

### *Kirsten Graduates*

Our youngest daughter, Kirsten Grace, finished her second year in the LWT-Honduras BTC and graduated with her classmates in Tegucigalpa on December 1<sup>st</sup>. She is now enrolled in the 3<sup>rd</sup> Year program of LWT-BTC. She is also helping as a teacher's aide in Living Water Academy. We are very proud of Kirsten as she continues to listen to the Holy Spirit, grow in the Lord, and walk in His plan for her life. **Congratulations Kirsten on a job well-done!**

### *Double Blessings Have Arrived! ☺*

The greatly expected day finally arrived Dec. 17<sup>th</sup>, 2012, as our twin granddaughters, Zipporah and Bailee were born. If you saw a picture of Leisel before the births you know why I say greatly expected! Zipporah came first at about 6:50 a.m. and Bailee followed less than an hour later. Both girls are very healthy and strong, identical twins, with two different personalities☺. Thank you all for your prayers and support for Leisel, Lowell, and the baby girls during this time of transition.
